

Application for the 2016 Dr. Mow Shiah Lin Scholarship

BERA's Asian Pacific American Association (APAA) has established the Dr. Mow Shiah Lin Scholarship, honoring the late Dr. Lin who was a distinguished scientist at the U.S. Department of Energy's BNL Energy Sciences and Technology Department.

This annual scholarship is a one-time award of \$1,000 to be applied towards expenses associated with a graduate program at an accredited institution of higher education.

Eligibility Requirements

To be eligible to receive this award, you must be:

- A student of Asian heritage with a U.S. student visa (F-1 status).
- Enrolled in a doctoral program through May of 2017 at an accredited institution of higher education on Long Island (including Queens and Brooklyn).
- Matriculating toward a doctorate in Environmental & Energy Technology, Biology, or Chemistry.

Instructions to Applicants

- Fill out the attached form completely. You may insert extra pages if additional space is required.
- Mail the signed application form, together with a typed statement of educational and career goals, transcripts from the last two (2) semesters of study (photocopies are acceptable), and two professional letters of reference to:

Dr. Lin Scholarship
Brookhaven National Laboratory
P.O. Box 5000
Bldg. 400B - Diversity Office
Upton, NY, 11973-5000

All of the above items must be mailed to arrive **by May 27, 2016**. Applications with incomplete or missing information will not be considered. Additional information, such as a CV, a publications list, or involvement in civic activities is welcome.

- APAA reserves the right to request further information during the selection process.
- The scholarship winner will be selected and informed by mid-August of 2016. The scholarship will be awarded in September 2016 after proof of fall enrollment is provided.
- For an acknowledgement that your application has been received, please enclose a stamped, self-addressed envelope. Materials will not be returned.
